NOW, the most IMPORTANT part: Getting to Know You!

We will be putting together a contact list with the name, contact information and a brief bio of everyone who attends the Gathering. You will receive a copy of this list in your registration package. Please take a minute to provide a SHORT biography about who you are and what you do.

For example:

I am an avid gardener and eater, mother of two and board member of my local food policy council. I am passionate about food, social justice and sustainable agriculture. I am currently working for the local youth center where I am trying to get a compost going and getting youth to use a plot at the community garden.

Now it's YOUR TURN!

Please **DO NOT** include my name and contact information on the Gathering Contact List.
