Indigenous Food Systems Network Website

TRAIN THE TRAINER'S WORKSHOP

March 23, 2010
5:00- 9:00 pm

Neskonlith Indian Band Computer Lab
#1 Trans Canada Highway, Chase, B.C.

Purpose:

Building capacity within the Indigenous Food Systems Network (IFSN). Learning and discussing ways to develop and use the newly launched Indigenous Food Systems Network website (www.indigenousfoodsystems.org/) as a tool for creating an online community focusing on Indigenous food related action, research, and policy reform.

For more information contact:
